Hospice Circle of Love Names new Patient Care Coordinator

Hospice Circle of Love's new Patient Care Coordinator is an Enid native, with oncology and management experience. Jennifer Boydston, RN received her degree from Northern Oklahoma College and previously worked in the Oncology Department at Integris Bass Hospital. Along with her husband Todd, a Master Sergeant in the Marine Corps, Jennifer spent the past 12 years in Hawaii and California. While out of state, she again worked in oncology and managed a Pediatric Partners office.

"We are excited to have the opportunity to add someone as talented and experienced as Jennifer to our staff" commented Executive Director Chad Caldwell. "She will be a tremendous asset to our organization and community."

Boydston is excited to work in the hospice field and is thrilled about the opportunity to move back to her hometown of Enid. "I am enjoying the challenge of my new position and am excited to have the opportunity to move my family back to Enid. I have always been interested in hospice and am looking forward to being a part of a wonderful organization like Hospice Circle of Love," said Boydston.

In her role as Patient Care Coordinator, Boydston is responsible for admitting patients to hospice care, overseeing Circle of Love's nursing staff, and coordinating the overall care of the patients.
